COMMUNICATING FOR AMERICA: ABOUT US

About Communicating for America

For nearly 50 years, Communicating for America (CA), a national non-profit organization, has been adhering to a simple, common sense idea: rural people should enjoy all the benefits and representation that their urban counterparts do. That is why, year after year, our highest priorities are the issues facing our members and their families.

CA Highlights

Enjoy a monthly e-communication with the latest CA news and legislative updates from Washington D.C. plus healthy lifestyle articles and membership benefit news.

Advocating for You

CA continues to work on common sense issues that affect the lives of all Americans and ensure your voice is heard in Washington D.C. through its grassroots efforts.

CA's endorsement

CA can negotiate deals on great services and products using the power of the people we represent. The CA endorsement requires that specific quality, financial and service criteria be adhered to in order to meet the needs of CA members.

CA-endorsed benefit providers must supply:

service capabilities of the highest standards, toll-free customer service lines, plans that meet the needs of self-employed Americans, and proven financial strength.
