

## Money When You Need it Most

If you're like most American workers, your financial security, and your family's, depends on your paycheck. What would happen if you are hurt or lose your life in an accident and can't bring home that paycheck? The result could be financial tragedy. Accidents, unfortunately, happen every day – both on and off the job.

### IN JUST ONE YEAR:

- ▲ Unintentional injuries continue to be the 5th leading cause of death.<sup>1</sup>
- ▲ On the job, 3.5 million American workers suffered disabling injuries in 2007.<sup>1</sup>
- ▲ In the home, there were 52,500 fatalities and 9.4 million disabling injuries in 2007.<sup>1</sup>

Yet many American workers—perhaps you included—have no means of providing for themselves and their families if they are involved in an accident.

Paycheck Protection Plus® is a plan designed for workers like you. It is called Paycheck Protection Plus® because with it your income can continue after an accident even if your paycheck stops. Best of all, you won't have to pay any federal income taxes on benefits you receive from this policy.

Paycheck Protection Plus® combines many important accident benefits in one accident only policy, including protection on and off the job for total disability, hospitalization, medical treatment, death and dismemberment.
