

Help cover costs and ease financial worries

Critical Illness Insurance

Medical advancements are improving the fight against critical illnesses like cancer, stroke or heart attack, but bills can follow survivors long after.¹ Medical debt is the number one source of personal bankruptcy filings in the U.S., and in 2014, an estimated **40 percent of Americans racked up debt resulting from a medical issue.**²

A critical illness policy can help alleviate financial worries by paying a lump-sum benefit when you're first diagnosed with a covered illness or medical condition. Because you're paid directly, there are no limits on how you spend the money — pay medical expenses or everyday expenses.

Freedom to use the money how it helps you most

- Deductibles and copays
- Prescriptions and medical treatments
- Providers or treatments not covered by your health plan
- Mortgage and childcare
- Replace a spouse's income while they're by your side
- Travel for care for treatment

How it Works

1 Buy a critical illness policy
Benefit amounts can range from \$5,000 to \$75,000.

2 Submit a claim
You are protected if you're diagnosed with a first-ever covered illness or condition.

3 Get paid
Assurity pays a lump-sum benefit directly to you.
