Who is Ameritas?

At Ameritas, we proudly say we're in the business of fulfilling life.

We've been around since the 1800's. To stay in business for this long, you need to care about the quality of your product. That's why we only sell the best. Our individual dental and vision plans provide comprehensive, day-one coverage; access to the Ameritas Dental Network, which is one of the nation's largest; and have competitive benefit allowances.

We also take pride in fulfilling the lives of our valued partners. We make your job easier with a simple online enrollment process, knowledgeable support teams to answer your questions, and easy-to-use online tools to manage your commissions, access marketing materials, and more.

The Ameritas Dental Network is one of the largest in the nation.

But what does that mean? It means your clients have convenient access to high-quality, affordable care. The network spans across the U.S. and Mexico. Our network discount is 25-50% below the average charge in a ZIP Code area. Many network providers also offer discounted fees on non-covered dental services as allowed by state law.
