

# Don't let your clients' wallets choke on out-of-pocket costs

## Help your clients plan ahead for costs they can't see coming

Did you know that **63% of Americans** don't have money set aside to cover a \$500 emergency?<sup>1</sup>

That's right — most people don't have the extra cash needed to pay for unexpected health care. And, many major-medical plans contain maximum out-of-pocket amounts that require customers to spend thousands of dollars before paying any benefits.

Luckily, you already have the tools you need to fill customers' gaps in coverage. Use our portfolio of supplemental coverage solutions to create more satisfied clients and earn more from every sale.

## Ease the burden of out-of-pocket costs with:

-  Accident plans
-  Critical-illness coverage
-  Dental insurance
-  Hospitalization plans
-  Multi-coverage options
-  Fixed-benefit medical plans

## Start earning more while helping your clients cover out-of-pocket costs today.
