Dental plans for individuals and families

DentalWise® is what your clients have been waiting for

Taking care of your health goes beyond regular medical checkups, as dental health is equally important to your overall well-being. With a choice of three plans, DentalWise® provides additional coverage to help protect health and budget, with no waiting periods for preventive, basic, and most major services. This means your clients can get coverage for routine exams, cleanings, and major repairs like crowns and root canals as of the policy effective date. When you smile life is naturally more enjoyable. Choosing a DentalWise plan can enhance your client's quality of life and boost their self-confidence.

Use dental benefits right away
