

ASSURANT
Health®

2013 individual major medical submissions in Washington

November 28

- Quote a new effective date option of **December 28**
- Quote and submit applications through day before requested effective date. *Example: submit application on December 27 for December 28 effective date*
- Quote and submit applications online or submit 2013 paper applications to Assurant Health by mail or fax. Find new paper applications on Find a Form

December 21 — December 27

Manual quoting and submitting only

- 2013 plans must be received by **December 27**
- Fax quotes and new paper applications to Assurant Health by **December 27**
- Find rate sheets and new 2013 paper applications on Find a Form
- Beginning **December 21**, Assurant Health's Enrollment department will provide status of 2013 applications and final application actions directly

Now through November 27

- **December 15** is latest effective date available
- Quote and submit applications using current process and application

December 20

Last day agents are able to:

- Quote or submit 2013 applications electronically
- Retrieve any saved customer information, such as quotes

This is the last day you can use your current "Shopping Center URL" for 2013 applications. Follow these steps to create and customize a new sales link so clients are able to quote and submit on their own in 2014:

- Log in to assuranthealthsales.com
- Select "Create a sales link" from Help Me Sell
- Select Individual Medical
- Choose basic sales link or select "Create a new link" to customize your information

*Agents can quote and submit business for plans with 2014 effective dates at assuranthealthsales.com. To check on the status of your 2014 applications, click the "Check Underwriting Status" link under the major medical product tab.
