Prescription Drug Utilization Benefit Management Programs ⁷	<p>Specialty Pharmacy Program: To be eligible for maximum benefits, specialty medications must be obtained through the preferred Specialty Pharmacy provider.</p> <p>Member Pay the Difference: When choosing a brand name drug over an available generic equivalent, you pay your usual share plus the difference in cost.</p> <p>Prior Authorization/Step Therapy Requirements: Before receiving coverage for some medications, your doctor will need to receive authorization from BCBSIL and you may first need to try more clinically appropriate or cost effective drugs.</p>				

1 Benefits reduced when non-participating providers are used. This is a summary of benefit highlights only.
 2 Deductible and coinsurance still apply.
 3 As a reminder, Health Savings Accounts (HSA) have tax and legal ramifications. Blue Cross and Blue Shield of Illinois does not provide legal or tax advice and nothing herein should be construed as legal or tax advice. These materials, and any tax-related statements in them, are not intended or written to be used, and cannot be used or relied on for the purpose of avoiding tax penalties. Tax related statements, if any, may have been written in connection with the promotion or marketing of the transaction(s) or matter(s) addressed by these materials. You should seek advice based on your particular circumstances from an independent tax advisor regarding tax consequences of specific health insurance plans or products.
Notice: Certain individuals who receive cost-sharing reductions under their benefit plan that have the effect of reducing the deductible below the federal government's minimum deductible may not be eligible to contribute to a Health Savings Account. Please consult your tax advisor for further information.
 4 Preferred Generics / Non Preferred Generics / Preferred Formulary / Non Preferred Formulary / Specialty
 5 Prescription benefit coverage starts after annual medical deductible has been met.
 6 Mail order is not available for Specialty tier drugs. Specialty tier is limited to a 30 day supply.
