

MyPriority Travel plans

MyPriority® Travel plans are ideal for consumers who want to travel—for both work and leisure—but still want health coverage when outside of Michigan.

Why choose this plan option?

This added travel benefit allows members to receive covered services and care from any Cigna provider outside of Michigan and within the United States.

Who can buy it?

Individuals who live in the MyPriority service area.

Member benefits:

- The plan deductible, cost share and maximum out-of-pocket amounts stay the same when a Cigna provider is used for care, even outside of Michigan
- Find Cigna providers outside of Michigan by using the Priority Health Find A Doctor tool

MyPriority Travel plans are only offered on Priority Health's broad network.

All MyPriority plans offer services, supplies and treatments for some of the most common chronic conditions, covered in full or with cost share before deductible. Members have access to a variety of medications and services to help keep their chronic conditions under control.
