

MyPriority Standard Gold 2000 Plan

Why choose this plan option?

MyPriority Standard Gold 2000 is a standardized plan, offered by qualified health plans (QHPs) on the federal Marketplace. Standard plans have uniform plan designs with the same cost-sharing parameters from issuer to issuer, making plan choice and comparison simpler for enrollees. These standard plans allow consumers to more easily find the right form of quality, affordable health coverage for their circumstances.

Reasons to love your MyPriority Standard Gold 2000 plan

Chronic condition management

Access to a variety of medications, supplies and services to help you manage your condition for a reliable, low cost.

Limited virtual care

Access 24/7 Spectrum Health On-Demand Virtual Visits for non-emergencies like the flu, rashes and pink eye through your Priority Health member account.

Global emergency assistance

While traveling more than 100 miles from home, our partner Assist America® can help you get care and even arrange your safe travel home.

Hearing exams and hearing aids

Your plan includes hearing exams and hearing aid discounts for you and your extended family with TruHearing®.

Right Price

It's easy to always get the lowest price for your medications—no more tracking down coupon codes or discount cards.

Cost estimator

Know your costs and control out of pocket spending.

Wellbeing Hub

Achieve your health goals with a fun and engaging experience that delivers powerful resources right to your fingertips.

Discounted gym memberships

Stay active at the gym or at home with affordable fitness options starting at just \$25 a month.

On-demand mental health support

myStrength is a free mental health and wellness online tool that helps you live your best life. You have access to support for stress, anxiety, chronic pain, and more.

SaveOn

If you're currently taking a qualifying medication, you'll receive an introductory letter about our specialty drug savings program through our partner, SaveOn^(SM).

My**Priority** Standard Gold 2000 is offered on both the Priority Health broad network and five narrow networks options:
