

Trinity Health East Network

Individuals who live in Wayne, Oakland, Macomb, Washtenaw, Livingston counties and a portion of Jackson County can purchase our Bronze, Silver and Gold plan options with the Trinity Health East Network narrow network.

Why choose this narrow network option?

This narrow network option is designed to appeal to price-sensitive individuals who are willing to accept a limited network of providers in exchange for a lower monthly premium while still getting access to quality care within the Trinity Health East Network.

Selling advantages

Unlike many competing narrow networks, all of our narrow network products feature:

- No referrals
- Provider-specific names to make it easier for you and your client to understand which facilities are covered
- No additional limits or restrictions on care or services

Included in this narrow network

- Trinity Health Chelsea Hospital
- Trinity Health Ann Arbor Hospital
- Trinity Health Livingston Hospital
- Trinity Health Oakland Hospital
- Trinity Health Livonia Hospital
- Physicians who are affiliated with the Trinity Health East groups listed below:
 - IHA
 - Huron Valley Physician Association
 - Oakland Physician Network Services with Trinity Health Oakland designated as the primary hospital
 - Livingston Physician Organization
 - Trinity Health Livonia Physician Practices
- All in-network pharmacies

This plan requires members to receive care at facilities within the Trinity Health East Network of doctors and affiliated providers. Care received outside of the Trinity Health East Network will not be covered, and members will be required to cover the full cost for out-of-network care.
