

We've partnered with TruHearing so you can save money.

As a Priority Health member, you get discounts on hearing exams and high-quality hearing aids through TruHearing,[®] a comprehensive hearing care solution. You and your extended family will receive access to discounts on hearing exams and high-quality hearing aids, saving you 30–60% off hearing services and technology.

Other TruHearing program benefits include:

- A hearing exam and one year of follow up visits
- A 60-day risk-free trial and three-year warranty for your hearing aids
- Professional care from an accredited provider in your area
- Guidance and assistance from a TruHearing hearing consultant

How it works

1. When you call TruHearing, you'll be connected to a consultant who can answer any questions you have and help you set up an appointment with a local, accredited provider.
2. At your appointment, your provider will determine if you require hearing aids and, if necessary, order them for you.
3. You'll have ongoing support with fitting assistance, follow-up appointments and continued access to your hearing consultant.
