Marketing Kit

How This Works

1. View the asset in the campaign by clicking the picture.
2. To download an image or video, click the arrow icon.
3. Don’t forget to copy a caption and hashtag for your ad.
4. Best practice is to take advantage of all 3 options when marketing OneShare Health – email, social media and our logo on your website if applicable.

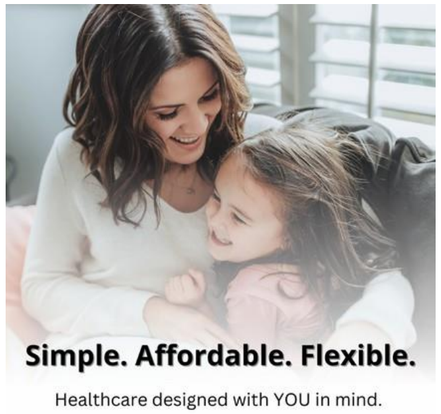

We are excited to provide affordable healthcare to your clients and look forward to seeing your success!
