Here's how virtual dermatology works:

Access your Lyric account online or by downloading the "Lyric Health" mobile app, available 24/7/365

Describe your condition and upload pictures of the affected area. Submit your information any time, and from anywhere.*

A Lyric board-certified dermatologist will review the consultation details and provide a treatment plan and prescriptions, when necessary.**

Prescriptions will be sent directly to your preferred local or home delivery pharmacy, if appropriate.

Have follow-up questions? Connect with your dedicated Care Coordination team 24/7/365 toll-free.

Licensed healthcare providers provide clinical services through medical practices affiliated with Lyric and other network providers. *Additional or different telehealth requirements may be applicable in certain states; see www.getlyric.com for full terms and conditions. THIS PLAN IS NOT INSURANCE and is not intended to replace health insurance.
