I. Introduction

Our mission is to build a health care solution that would be good enough for our own family and loved ones. We are devoted to the health and wellness of our members by helping them navigate the healthcare system with service guides, utilizing world-class technology to enable a simplified experience, and partnering with top providers for better health outcomes. Learn more about the <u>Devoted Health Difference</u>.

Important Things to Know

- You must hold an active health insurance license, be contracted, get certified, and be appointed before you can market Devoted benefits.
- If you have completed the Core Medicare training, we accept AHIP, Pinpoint or NABIP (formerly NAHU) certificates. If not, you can now complete the AHIP training by using the <u>link</u> in our onboarding workflow and get a \$50 discount at checkout.
- The Devoted Health Agent Certification & Exam informs you on how to compliantly market Devoted Health benefits and satisfy the annual CMS Medicare Compliance Program requirements.
- To receive renewals for business sold in prior years, you must be licensed and appointed to sell Medicare products per state laws and recertified annually.
- Completing the PY2026 Certification will also allow you to market PY2025 benefits in our current service areas.
- A face-to-face certification is not required.

Our PY2026 Onboarding & Certification available in our Agent Portal. Our goal is to keep our onboarding experience easy and allow agents to complete the process in a few simple steps.

Onboarding and certification steps:

- Account creation for our Agent Portal
- W-9 & Direct Deposit (Direct Payees only)
- Preferred Markets (selections here will determine your state appointment(s))
- Selling Needs
- Code of Conduct
- Agent Agreement
- Background Check

- Medicare Core Training or equivalency upload (AHIP, Pinpoint or NABIP (formerly NAHU))
 - CMS Fraud, Waste & Abuse & Compliance Training
- Devoted PY2026 Certification Training & Assessment
 - Agents have 3 attempts to pass the training exam with a minimum score of 85% (If unable to pass within 3 attempts, agent will need to recertify for PY2026)
 - Each time the exam is opened (initiated) it will count as an attempt, therefore, it must be completed in one sitting (~40 min).
- License Check
- Appointment

If these steps can't be completed all at once, your progress will be saved and you can continue from the dashboard at a later time.

Agents cannot market or sell Devoted Health benefits until they receive the "ready to sell"(RTS) email.

*PY2025 certification is only available for existing Devoted Health service areas.
