1. Estimates as of 9/25/2025.
2. A "preferred" or "participating" pharmacy has a contract with BCBSNM's pharmacy benefit manager (Prime Therapeutics) to provide pharmacy services at a negotiated rate. A pharmacy benefit manager administers prescription drug benefits for a health plan. The terms "preferred" and "participating" should not be construed as a recommendation, referral or any other statement as to the ability or quality of such pharmacy.

MedsYourWay is not insurance. It is a drug discount card program that compares the drug discount card price for an eligible medication at participating in-network retail pharmacies to the member's benefit plan cost share amount and then applies the lower available price. MedsYourWay is administered by Prime Therapeutics, LLC. Not all retail pharmacies may participate with MedsYourWay pricing.

Blue365 is a discount program only for BCBSNM members. This is NOT insurance. BCBSNM does not guarantee or make any claims or recommendations about the program's services or products. BCBSNM reserves the right to stop or change this program at any time without notice. The relationship between the Blue365 vendors and BCBSNM is that of independent contractors.
